## WHERE?

Highlands Conference  
Center 2000 Highland  
Way Mitchell, SD

The South Dakota Grain  
& Feed Association is  
pleased to offer this  
school to members to  
enhance industry safety  
practices.

## AGENDA

### At Highlands Conference Center:

10:00 AM to 11:00 AM	OSHA Update
11:00 AM to 12:00 PM	OSHA On-Site Consultation Overview
12:00 PM to 1:00 PM	Lunch on Your Own

### At Central Electric Coop:

1:15 PM to 2:15 PM	REA High Voltage Demonstration
2:15 PM to 3:15 PM	Grain Engulfment Safety Training

Sheila Stanley, Area Director, Sioux Falls office, will present an informative session on what OSHA is doing in South Dakota. In addition, she will address specific issues related to OSHA's Grain Emphasis Program as well as the types of inspections her office is conducting in this important sector.

Greg Derynck, SDSU Engineering/OSHA Consultation will talk about how crop conditions relate to grain handling safety, combustible dust, and the NFPA's dust hazards analysis guidance.

Central Electric Cooperative will provide a demonstration designed to illustrate the dangers of coming into contact with high voltage power lines and safety procedures to avoid injury and possible death in contact situations.

Agtegra will provide information on performing hands-on grain bin extrication and methods applied. The group will also discuss safe bin entry methods including de-energizing all sources of energy, appropriate personal protective equipment to use, when conditions are not safe for entry, and general safe work practices to prevent grain bin entrapments.
